

# Dear Parents,

Over the next few weeks, our class will be obtaining their Dietary Driving Licence. Together with Kater Cook, we will be cooking up a delicious breakfast and some small meals, which we will eat together afterwards.

The children will learn a lot about eating and drinking as part of a balanced diet, while experiencing how to handle food and kitchen devices.

For the practical classes, your child will need:

- An apron and two tea towels  
Please wash after each Driving Licence class
- Everything that is crossed off the To Bring list.  
Please pack the kitchen knife safely, e.g. in a plastic box
- A passport-style photo for the Driving Licence document

Please help your child to pack and bring all of the items. In some classes, we will need some helpers – you don't have to be a professional chef!

Date and time:

**Crispy Vegetable Fun**

**Multi-coloured Pasta Salad**

**Fruity Fromage Frais**

**Hot Potato Dishes**

**Practical Test**

Kind regards
